LINING OUT STOCK FALL—1926

Naperville, Dupage County, Illinois

TELEPHONE: Bell System

Long Distance: Naperville No. 1

OUR NURSERIES are situated adjacent to the City of Naperville, DuPage County, Illinois, some 28 miles West of Chicago, on the Chicago, Burlington & Quincy Railroad. Popular automobile routes as the "Cannon Ball," "Route No. 18" and "Starved Rock" Trails pass our nurseries over designated State Roads

TERMS AND CONDITIONS OF SALE

All prices named herein are net and:

For goods f. o. b. Nurseries or cars Naperville, Illinois, exclusive of any packing, express, freight or transportation charges; packing charges are extra in addition to cost of plants. No charge for packing car lot orders in bulk.

Subject to cancellation or change without further notice upon prior sale or depletion of our stock of goods.

QUANTITY RATES WILL BE APPLIED AS FOLLOWS:

Our Lining Out Stock is packed 50 plants per bundle.

250 and up of any one item will be billed at the 1,000 rate.

50 to 250 of any one item will be billed at the thousand rate, plus 10%.

No order accepted for less than 50 of any one item.

Orders are accepted and all shipments made subject to delays or inability to ship or deliver by reason or on account of strikes, accidents, droughts, fire, floods, frost, hail, sleet, war conditions and orders, railroad or express embargoes, priority or other transportation orders, prior sale of stock, stock shortage, labor or car shortage, or any other cause or causes for delay in shipment or delivery of goods which are beyond our control.

We never cut back tops of lining out stock unless so instructed on orders.

All shipments at purchaser's risk.

In absence of specific shipping instructions, we are to route all shipments according to our best judgment without assuming responsibility.

If destination is a Pre-Paid Station, freight charges will be prepaid by us and charged for on invoice.

Due to general conditions of weather, possible labor shortage and other contingencies, during the digging and shipping season, we do not guarantee to fill all items of an order or orders placed with us in one or first shipment.

In making all shipments we carefully consider conditions in general and act accordingly.

Inasmuch as lining out stock must be dug in late fall and some varieties do not always grade out for quantity according to our estimates, we must reserve the right in some instances to substitute the next nearest size of some items if unable to furnish the size ordered.

We do not recommend packing lining out stock with transplanted stock either L. C. L. or C. L. Both should travel in separate packages.

When shipping carload lots out of storage, after all stock has been graded, we can ship lining out stock with transplanted stock, but even then we recommend that the lining out stock be put in boxes, so as to keep the small stock together, and also protected. Some difficulty seemingly is experienced in getting refrigerator freight service through to some Stations, and any damage to stock en route should be promptly reported to your Transportation Company.

Claims for errors or shortage must be filed with us within Ten (10) days after receipt of goods. No claims for errors or shortage in excess of purchase price will be considered. Claim for damage to stock en route should be immediately reported and entered with your local agent of transportation company.

Changes in order and cancellation. These should always be made in writing, even if initially telephoned. If an order, or any part thereof, has been reserved by being packed away or boxed in storage awaiting shipment, cancellations are practically impossible.

Payments of accounts to be as follows:

All accounts, 30 days net cash, except

Spring accounts with Wholesale Nursery trade which are due on June 1st of same year.

Fall accounts with Wholesale Nursery Trade which are due on December 1st of same year.

2% Discount allowed on accounts if paid within 10 days from date of shipment.

3% Discount allowed if remittance accompanies order.

Where remittance accompanies order same should cover total amount computed at list prices of goods ordered without deducting discount.

Such remittances will be considered payment on account, subject to cash discount. Our invoices will show entire transaction showing price of plants, packing charges, prepaid express or freight, or delivery charges, also discount for cash with order will be applied on invoice as soon as goods are shipped, or delivered, as the case may be.

The condition may arise where the entire amount of all invoices for stock shipped will be less than the amount, or amounts, remitted, in which case

the unearned portion of remittances will be refunded as soon as the shipping season is over and our books and accounts have been properly audited, if not before.

Payments for partial shipments shall be due on basis of Invoice dating of same.

Accounts after due dates are subject to sight draft, also interest charge at rate of 6% per annum.

Cash or satisfactory references with order, if purchaser has no credit established with us.

Certificate of inspection will be furnished with each shipment.

Address all communications, orders and remittances to

NAPERVILLE NURSERIES, Naperville, DuPage County, Illinois.

VARIETIES MARKED WITH A ★ AT THE LEFT WILL NOT BE SOLD SEPARATELY. THESE WE AIM TO DISTRIBUTE AND WILL ACKNOWLEDGE IN SUCH QUANTITIES (UNTIL STOCK IS DEPLETED) CONSISTENT WITH THE GENERAL ASSORTMENT OF VARIETIES AND TOTAL QUANTITIES ORDERED.

Sizes in some quick growing varieties will run extra strong for height due to the unusual growing weather we have had during the past few weeks since taking the inventory.
